

2<sup>nd</sup> February 2021

Dear Parents and Carers,

### **School Update**

Please be advised that **Friday 12<sup>th</sup> February** is a Dimension Day and there won't be any online learning or Educare provision. Students are still required to log in to tutor time to ensure they get their attendance mark for the day.

The Dimension Day has been designed to help boost wellbeing and it won't involve sitting in front of a screen.

Using the strategy from mental health charity, Mind, the day will be divided up into five sections, revolving around 'connect', 'give', 'keep learning', 'be active' and 'take notice', and students will be given a range of activities to choose from each section. A booklet with all the relevant information will be sent home to students at the beginning of next week.

Please also be reminded, that as per our school calendar shown on our websites, Monday 15<sup>th</sup> February to Friday 19<sup>th</sup> February is Half Term and **Monday 22<sup>nd</sup> February** is a Non-Pupil day.

Normal online learning and Educare provision will therefore resume on **Tuesday 23<sup>rd</sup> February**.

We hope you all continue to be well and are managing the Lockdown successfully. We are looking forward with great anticipation to the moment that we can welcome students fully back to school at some point, from Monday 8<sup>th</sup> March, God willing.

Yours sincerely,

Mrs Kate White  
Headteacher  
Notre Dame School, Plymouth  
St Boniface Catholic College, Plymouth
